✓ 15. [] LIAISON Called Loch Johnson, 25X1
House Permanent Select Committee on Intelligence staff, to ask
him whether Representative Les Aspin (D., Wis.) would be able to
address the new supergrade class on 13 September 1978. Mr.
Johnson said that Representative Aspin had said that he would
very much like to, but could not.

I also asked Mr. Johnson whether he thought that Representative
Aspin would be able to conduct hearings on CIA's relationship with
academia prior to the end of the current session and was told that
it looks most doubtful. Mr. Johnson did add that he was sure that
Representative Aspin would hold hearings prior to the end of the
year -- perhaps in the latter half of November 1978.

Mr. Johnson also asked some more questions about the NFAC
Senior Review Panel and other questions on the regulation governing
CIA's relationship with academia. I have passed these questions
on to [], NFAC/CSS. 25X1

16. [] LIAISON Thomas K. Latimer, Staff 25X1
Director, House Permanent Select Committee on Intelligence, called
to find out whether the Committee should contact the Attorney
General's office with regard to his appearance along with the DCI
at 0900 hours on 13 September. I said that this had been taken
care of.

I told Mr. Latimer that I had a copy of Book V of the Agency's
rebuttal to the Senate Select Committee on Intelligence report
entitled "The Investigation of the Assassination of President
Kennedy: Performance of the Intelligence Agencies." I said that
the House Select Committee on Assassinations has a copy of the
volume which contains strongly worded reactions to the report.
I added that we had not previously made the report available to
the Committee because we were not anxious to rake up old coals.
Mr. Latimer indicated interest in reviewing the volume and promised
to return it after doing so. He said that he fully understood
our sensitivities and would respect them. 25X1

17. [] LIAISON Called the Tallahassee 25X1
office of Senator Richard B. Stone (D., Fla.), and spoke with
Sgt. Pete Butler concerning a letter they sent to us from a []
who is interested in working for the Agency but doesn't want to have
us write to him or contact him. I asked how we were supposed to 25X1
respond. He said just write a simple letter explaining how people
should go about applying. I passed this on to []
EO/Personnel, who will write the letter.

Sgt. Butler asked me if he could get an Agency seal for his office.
I told him I was not sure, but I would check on this and let him know.
